At the outset, we would like to make it clear that the provisions of both the Central Goods and Services Tax Act and the Tamil Nadu Goods and Services Tax Act are in *pari materia* and have the same provisions in like matters and differ from each other only on few specific provisions. Therefore, unless a mention is specifically made to such dissimilar provisions, a reference to the Central Goods and Services Tax Act, 2017 would also mean a reference to the same provisions under the Tamil Nadu Goods and Services Tax Act, 2017.

The members requested AR to furnish sample copies of agreements and purchase orders entered into with Universities & Colleges. Later the applicant has furnished sample copies.

9.DISCUSSION AND FINDINGS

9.1. The applicant sought clarification regarding the applicability of the exemption for the services classified at Serial No. 66(b)(iv) of Notification No. 12/2017, dated 28-6-2017 as services provided to 'Educational Institution, relating to admission to, or conduct of examination, i.e printing of pre-examination and post-examination related documents and scanning & processing of results of the examination.

9.2. In this connection, the Central Board of Indirect Taxes had issued a Circular No. 151/07/2021-GST CBIC-190354/36/2021, dated 17-6-2021 clarifying whether the activities falling under Serial No. 66 of Notification No. 12/2017 are eligible for exemption.

9.3. Vide Sl. No. 66 of the Notification No. 12/2017-Central Tax (Rate), dated 28-6-2017 as amended by Notification No. 02/2018-CT (Rate) dated 25-01-2018, read with the definition of 2(y) of the said notification it was clarified that GST is exempt on input services relating to admission to, or conduct of examination, such as online testing service, result publication, printing of notification for examination, admit card and questions papers etc., when provided to such Boards under S. No. 66(b)(iv) of Notification No. 12/2017-CT(Rate).

9.4. As seen from the averment of the applicant they claim to supply services which are related to conduct of examination. Sl. No. 66 of Notification No. 12/2017-Central Tax (Rate), dated 28-6-2017 provides for exemption for services related to admission to or conduct of examination by such institution. Therefore if the applicant is providing any service in relation to conduct of examination by an educational institution i.e., a Central or a State educational boards as defined under the Act in the notification then such services qualified to be exempt under Entry No. 66 of Notification No. 12/2017.

9.5 The applicant has sought clarification regarding the applicability of the exemption for the services rendered by them to educational institutions are classified at Serial No. 66(b)(iv) of Notification No. 12/2017, dated 28-6-2017.

9.6 The applicant submitted that services which they are providing to "educational institution" are as defined at Sl. No. (y) of definition provided in Notification No. 12/2017-Central Tax (Rate) are exempt services under GST law.

9.7 As per the facts submitted by the applicant, the content and design are provided by their customers and the applicant is doing printing on the materials owned by them as per the requirements of their customer. Hence, here the first issue to be decided is whether the supply of test papers/question papers by the applicant for educational institutes should be treated as supply of goods or supply of services as the applicant makes the supply using the paper and ink owned by him.

9.8 The supply made by the applicant cannot be classified as selling of question papers to the educational institutes as the content to be printed on them is given by the latter to the applicant. The supply of Printed materials as required by the institution cannot be *in toto* categorised as supply of goods to the educational institutes, as this is not a ready-made printed material bought by recipient who does not own the content in the material to be bought, but it is a composite supply of providing printing services on the papers owned by him. This composite supply involves both supply of printing services and supply of the paper owned by him on which the printing is done as per the content given by the educational institutes.

9.9 Printing of contents supplied by the institute is the Principal supply of the composite supply, made by the applicant, which involves goods and services i.e. papers and printing services. The supply of papers is an integral part of the composite supply, without which the contents cannot be printed. But the same cannot be called as principal supply as the purpose for which the educational institutes contracted with applicant is not for buying papers but for the printing services. The content to be printed is based on the specifications given by the educational institutes and the applicant has no role in deciding the same. Therefore supply of printing of the content supplied by the recipient of supply] is the principal supply and the same is clarified by **Circular No. 11/11/2017-GST, dated 20-10-2017.**

10. The next issue to be examined is applicability of Sr. No. 66 of Notification No. 12/2017-Central Tax (Rate), dated 28-6-2017, as amended *vide* clause (o) of Notification No. 2/2018-Central Tax (Rate), dated 25-1-2018, read with Sr. No. 27 of Notification No. 11/2017-Central Tax (Rate), dated 28-6-2017, as amended,-

Sl. No.	Chapter, Section or Heading	Description of Services	Rate (per cent.)	Condition

		(ii) Other manufacturing services; publishing, printing and reproduction services; materials recovery services, other than (i) above.	9	-

13. In this connection, it is to inform that the Central Board of Excise and Customs has issued a **Circular No. 151/07/2021-GST, dated 17-6-2021 (F. No. CBIC-190354/36/2021)** and clarified that activities falling under Serial No. 66 of Notification No. 12/2017 are exempted. The relevant portion is reproduced below -

"(y) educational institution" means an institution providing services by way of, -

(i) pre-school education and education up to higher secondary school or equivalent;

(ii) education as a part of a curriculum for obtaining a qualification recognized by any law for the time being in force;

No. 66(b)(iv) of Notification No. 12/2017-CT (Rate). Therefore the suppliers of these services can avail the benefit of exemption from payment of GST on these services.

The applicant claims that he supplies printing of Answer booklets with or without OMR, Question papers, Mark sheets, Degree Certificates, Grade Sheets, Rank Sheets, Rank Cards, Scanning & processing of results of examination, Hall tickets, OMR (Optical Mark Reading) sheets for all types of examinations as required by the educational institutions, using his own paper and ink. This is a composite supply, of which Printing services is the principal supply, as defined under Section 2(90) of the Central Goods and Services Tax Act, which makes HSN classification of the supply to be done on printing services which falls under Heading 9989. As it is a service done to educational institutions, the exemption under S. No. 66(b)(iv) of Notification No. 12/2017-CT(Rate) dated 28-06-2017 is eligible as the said Notification details the services provided to educational institution which are exempt.
